

Mantec Consultants Pvt. Ltd.

Quality Policy

*We at **Environment Management Division** of **Mantec Consultants Pvt. Ltd.**, are committed to provide Environmental Impact Assessments, Monitoring and Consultancy Services in an ethical, impartial, objective and non-discriminatory manner to achieve optimum customer satisfaction and maximum environmental protection while complying strictly with applicable statutory and regulatory requirements.*

We will endeavour to achieve this through effective implementation of Quality Management System (QMS) and continual improvement towards our business services. This quality policy forms the framework for planning, objectives and reviews to ensure its appropriateness to the organization's functions and changing requirements.

This Quality Policy will be widely communicated within the organization through different modes of transmissions including electronically for better understanding of the policy among members of Environment management Division to ensure excellence in all services provided to clients.
